OF ITS TWO HUNDRED AND FIFTY YEAR HISTORY, HOW MANY YEARS  
HAS THE UNITED STATES BEEN ENGAGED IN ARMED CONFLICTS AND WARS? -----

## **Part I: "War Is Peace"**

Vincent Valdez

Of its 250-year history, how many years has the United States been engaged in armed conflicts and wars?

Answer: around 225-230 years. This equates to 90-92% of the nation's existence, resulting in roughly 20-25 years that the United States has been a nation at "peace."
