

# KNOW YOUR RIGHTS WITH BORDER PATROL ON YOUR PROPERTY

---

Remember, if Border Patrol comes on your property or to your door **you have rights:**

- You have the right to remain silent.
- You have the right to film immigration agents, so long as you don't interfere with their actions.
- You can refuse to consent to a search of your property or house.
- If they have an arrest warrant, only the person whose name is listed on the warrant should step outside.
- Agents can't come into your home unless they have a search warrant signed by a judge. If they come onto your property, you have the right to request they leave.

Call or text **1 (800) 557-4916** to report Border Patrol activity, interactions, or presence of agents at hospitals, clinics, grocery stores, or other locations.
