Re: Texas Public Information Act Request

To Whom It May Concern,

We write to request information from the Office of the Governor under the Texas Public Information Act, Chapter 552 of the Texas Government Code concerning the implementation of President Trump's Memorandum for the Secretary of Defense, the Attorney General and the Secretary of Homeland Security issued on April 4, 2018 and titled "Securing the Southern Border of the United States" (the "**Presidential Memorandum**"). The Presidential Memorandum notes that the Secretary of Defense shall request use of National Guard personnel, pursuant to section 502 of title 32, United States Code, to assist in fulfilling a mission of "securing the southern border and taking other necessary actions to stop the flow of deadly drugs and other contraband, gang members and other criminals, and illegal aliens" into the United States.

By this letter, the ACLU Foundation of Texas ("ACLU") seeks information regarding the implementation of the Presidential Memorandum and any request for use of Texas National Guard personnel in response to it, including the terms and conditions on which any use of National Guard personnel is premised and any training or instruction necessary for any military personnel, including National Guard units, to effectively support Department of Homeland Security ("DHS") personnel in securing the border, as referenced in Sec. 3 of the Presidential Memorandum.
